

Electric vehicle charging solutions for workplaces

Make clean tech part of your company culture

Demonstrate your organization's leadership in supporting **innovative technologies** and sustainable development, and provide a **highly valued service** to EV-driving employees.

Benefits of providing workplace charging stations

Attract talent and increase employee satisfaction

Enhance your corporate sustainability practices

Position your organization as innovative and cutting-edge

Support EV adoption among employees

Why choose FLO?

FLO is Canada's largest electric vehicle charging network.

We operate **thousands** of charging stations from coast to coast, with an **industry-leading** reliability rate.

- **Turnkey, flexible** solutions for all types of properties
- **Real-time** charging station monitoring
- **Remote servicing** and troubleshooting
- **Simple** pricing and access control
- Detailed data reports **accessible at all times**
- **24/7 bilingual** support line for EV drivers
- **Scalable solutions** to meet current and future demand
- Connection with more than **80% of Canadian EV drivers**

Did you know?

EVs are projected to represent **20%** of new car sales by 2030

Customizable solutions for all locations

No matter what your requirements are, we offer flexible and affordable solutions for any situation.

Small and medium-size businesses: Install charging stations to accommodate current EV-driving employees, and add more stations at minimal cost as demand increases.

Large companies: Position your business as a proponent of clean transportation by deploying large-scale charging infrastructure across all your branches.
